Cassidy, up to the eighth inning, had allowed but two hits, and two se-cured in this inning netted the Dancured in this inning netted the Dan-ville runners nothing. Lavinder, who did the twirling for the Tobacconists, showed up in good form, and several of the seven hits chalked up against him were scratch hits, and where the batsman beat out a bunt. DANVILLE, VA., May \$, The two
errors accredited to Shaffer in yesterday's game were incorrect. Shaffer

#### ROANOKE TURNS ON THE TRUCKERS

[Special to The Times-Dispatch,]
ROANOKE, VA., May 8.—The locals
turned the tables on Portsmouth in the
last game, winning 6 to 1. The field
was heavy and the locals proved to be
better mud-horses than the visitors. The
visitors fielded very poorly, piling up
six misplays, which helped the locals in
the run-getting. Hallman had an idea
that he could down the locals two games
hand running, but he failed, owing to
his ragged support.

The Truckers scored their only run in
the second limins, when Loca, the first
man up, doubled to left. Moss sucrificed
and Cassidy was Johnny-on-the-Spot
with a clean single to left, scoring Loos.
The locals scored three runs in the third
inning on two hits and three rank errors,
all after two men were out. The game

# OPENING DAY OF

Great Southern Championship Begins on Deep Run Hunt Club's Grounds.

GCOD SCORES ARE MADE

Richardson, of Delaware, Is High Gun in Sweepstakes-Local Marksmen Do Well.

The big Southern handicap targetshoot, held on the Deep Run Hunt Club grounds, under the auspices of the In-

Richardson Finishes High.

Richardson, who halls fro mibelaware, shot a very consistent race, finishing high for the day's average in the sweepstakes, with a total of 168 breaks out of a possible 180. Crosby was next, with 167. The latter started badly, and it was thought by the spectators that he would have absolutely no show for honors. He gamely stuck to his task, hewever, and by a remarkable run on the last seventy-five targets succeded in breaking that number in a straight run, which put him in second place, As Crosby is a paid expert he, of course, did not receive any money prize for his exhibition.

In the meantime Buchawalter and Upson had been grinding steadily away, and though neither made any notable runs, had been shooting consistently, and had kept up their averages in this way until at the final count they were found to be close up with 166 apiece out of a possible 180.

D. E. Hickey of Pittsburg was in the same hole of amateurs with the good score of 166, breaking 50 out of the last 60. George Lyon, who holds the championship of North Caroliva, shot well, as did E. W. Sanford, W. M. Foord and W. Henderson. Of the 'o-cals, the following showed up spleadidly: Dr. Hillsman, W. A. Hammond, H. Brown and W. S. MacLelland.

To-day the Preliminary Handleap of 100 targets, unknown angles, distages handleap from 16 to 23 yards, will be shot.

PRINCETON, N. J., May S.—The University of Virginia defeated Princeton to-day in an exciting game. Virginia won the game in the third inning by bunching hits, which, together with a base on balls, noticed three runs, princeton made several railies, but they could not overcome the lead. The score by innings:

All visiting shooters were well pleased with grounds and arrangements except conditions around No. 3 set of Traps, which was caused by the terrific except conditions around No. 3 set of traps, which was caused by the terrific rain on Tuesday night. Two "picaninnies" were placed in this trap with rubber boots on, as the water was standing three feet deep in the traphouse. They gave the management some concern, as they positively refused to work unless well protected from getting themselves wet. The boots amply satisfied them, and all things moved smoothly afterwards.
